

Instructions for following the webcast

It is possible to follow the meeting via webcast.

It is not possible to ask questions, make counterproposals, otherwise speak or vote via webcast, and following the meeting via webcast is not considered participation in the Annual General Meeting or exercise of shareholders' rights.

Remote access to the General Meeting will be provided through Inderes Plc's virtual general meeting service on the Videosync platform, which includes video and audio access to the General Meeting. Remote access does not require any paid software or downloads. In addition to an internet connection, remote access requires a computer, smartphone or tablet with speakers or headphones for sound. One of the following browsers is recommended for remote access: Chrome, Firefox, Edge, Safari, or Opera.

Link to the open webcast will be published on the Company's website closer to the General Meeting at www.luotea.com/investors/general-meeting-2026 .

For more information on the general meeting service, contact details of the service provider and instructions in case of possible disruptions can be found here:
